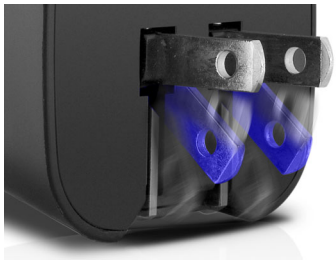
Works with iPhone

Highlights

Fold and go plug



With this wall charger, you can easily fold up the prongs of the plug for compact storage and convenient travel.

Dual charging
Turn one outlet into a dual-charging station! This charger has two power outlets so you can connect two of your favorite devices using their USB cables.

Sync and charge cable included
The included 30-pin to USB cable is essential for syncing your iPhone or iPod with iTunes, and for charging via your computer or USB charger. Carry it with you, keep it at your desk, or replace the one you lost so you're always able to connect and charge when you need to.

Convenient USB wall charger
The compact wall charger plugs into any wall outlet, and connects to your device via USB for easy and convenient charging at home, at the office or while traveling.

Works with USB-based devices
The universal unit has a USB connection for use with your USB-based device via the device's USB cable which you already own or can purchase separately.
